

Facility Manager/DON

- **Fantastic historic facility in a charming seaside town**
- **Excellent NFP employer**
- **Salary package Circa \$150,000 with a car**

Are you seeking a better life, or looking for a sea change where you can take long walks along the beach? Or does swimming in the ocean and fishing locally float your boat?

Our client is seeking an experienced Aged Care / Healthcare Manager to lead and manage their facility located North of Newcastle. Their facility is on an historic site and operates with a philosophy of providing a home-like environment. Known for excellence in care, they recognise that each resident is unique with their own physical, emotional, spiritual and cultural needs and deliver services in line with this.

As DON / Facility Manager you will manage operations, lead and develop your team, optimize ACFI's and occupancy. Ensuring compliance and regulatory standards are met and exceeded in an aged care / healthcare context is something you are experienced with. You are skilled in building relationships with relatives, carers and other health care providers but also business savvy and can drive and improve operational performance. You have a successful track record of ensuring your team delivers excellent customer service in an aged care setting that responds to and meets the needs of local populations.

You will enjoy excellent benefits, including a six figure salary package, a fully maintained motor vehicle and ongoing professional development and organisational support.

This new life and amazing career opportunity awaits you! Experienced Aged Care /Health Care Managers are also encouraged to apply.

Please call (02) 9144 4544 or 0431 999 533 and speak with Linda Haworth to enquire about this career opportunity. Applications may be directed to apply@pjconsulting.com.au

The successful applicants will need to meet the requirements of a Criminal History

Check as per the Aged Care Act 1997.
